REQUEST FOR CERTIFICATE OF CORRECTION

MAIL STOP CERTIFICATE OF CORRECTIONS BRANCH

Commissioner for Patents
PO Box 1450
Alexandria Virginia 22313-1450

Sir:

Patentee hereby requests a Certificate of Correction.

The requested change corrects a typographical error in claim 19 at Column 84, line 15. The nature of the requested correction does not involve changes that would constitute new matter or require reexamination.

The requested correction corrects a typographical error in the claims in which the words "antibody binding" are replaced by the words "antigen binding fragment" by deleting the word "antibody" in the first line of claim 19, and by adding the word "fragment" after the word "binding" in the first line of claim 19.

That the mistake is of a typographical nature is evident when one refers to the Examiner's Amendment that accompanied the Notice of Allowance mailed April 20, 2006. The Examiner directed that claim 21 (which is claim 19 as issued) be amended to replace the words "antibody binding" by the words "antigen binding". This Certificate of Correction properly makes the amendment required by the Examiner.

Patentee therefore submits that this is an appropriate case for a Certificate of Correction. Submitted herewith is a completed Form PTO-1050 containing the requested correction.
